

Booth Summer Program 2017

We're excited to have your child join us for a fun-filled summer! Foxboro Recreation offers cost-effective programming in conjunction with maintaining a non-competitive, safe, structured environment for playing, learning & creating. Our summer staff, many with years of experience, brings enthusiasm and high energy to the Booth Summer Program. We offer an assortment of activities, games, arts & crafts, music, dance, swimming & much more. Our goal is for each child to make friends, learn new skills and have a great summer experience with us.

We will send your child home happy, dirty, tired & always ready to come back the next day for more fun!

You asked... We LISTENED!

We have listened to your suggestions and have plenty of new changes this summer!

Drop Off and Pick Up Procedures:

Drop Off

We have perfected our morning driving drop off zone. Cars will follow the painted arrows around the Booth parking lot (staffers will be onsite directing traffic as well), campers will exit vehicles, then check in with our management staff before continuing on to their designated grade area. If you need to come into the Rec Office to pay a bill or field trip, or simply ask a question, please park to the right of the Rec building and walk with your child to our management staff to be checked in before visiting the info desk.

Any child who arrives before 9am will be charged BEFORE CARE rate.

Pick Up

When picking up your child from Booth at 3:00 pm, please park to the right of the office and proceed to the building front. We will have your child there with their belongings ready to be checked out. Please do not enter into the park area to pick up your child.

Any child here after 3:10pm is considered attending AFTER CARE & will be charged so.

Free Hot Dog Fridays:

We're continuing our tradition of our Friday cook-outs!
Free to all campers, Foxboro Recreation will provide a hot dog, chips and a drink each Friday.
