

Booth Summer Program 2018

We're excited to have your child join us for a fun-filled summer! Foxboro Recreation offers cost-effective programming in conjunction with maintaining a non-competitive, safe, structured environment for playing, learning & creating. Our summer staff, many with years of experience, brings enthusiasm and high energy to the Booth Summer Program. We offer an assortment of activities, games, arts & crafts, music, dance, swimming & much more. Our goal is for each child to make friends, learn new skills, and have a great summer experience with us.

We will send your child home happy, dirty, tired & always ready to come back the next day for more fun!

In the event of rain, we'll be inside the IGO; please use the back door.

Tips to make sure your child's experience is successful:

- * Send plenty to drink! * Don't wear your best clothes.
- * Check your email on Sundays for the most up-to-date schedule.
- * Socks and shoes work best; sandals can be a problem in the sand.
- * Do wear a smile and come to have fun!
- * Do not bring electronics, iPods, hand-held games or items of value as we cannot be responsible for loss or breakage.
- * If you bring a bike, scooter or skateboard, please label it with child's first & last name. Children **MUST** bring and wear a helmet.
- * Staff is not allowed to administer any medication (including aspirin).
- * Snack bar is open once a day at 2:15. Gatorade, juice boxes, snacks & frozen treats are all priced at 50 cents to \$1.00.
